

# Feed My Sheep

Will you follow Jesus and ....  
throw your nets on the other side?

- ◆ AFFIRM LIFE
- ◆ PROMOTE CHRIST'S COMPASSIONATE CARE

When we, the followers of Jesus Christ, are willing

to *actively participate* in **Christ-centred Compassionate Care** -by what we proclaim in response to His Holy Word and *implement* through His teaching with *meaningful action* - we can be assured that His promise of His HOPE will be realized deeply in our lives and those we serve. Yes, each Life experiencing Him becomes renewed! All we have to do is join together - pray - look around - reach out - put **His Compassion** into our actions.
